Reduce the high cost of living **OUR PLATFORM** Without reducing the High Quality of what you Eat

Talk about injustice!—In spite of the fact that groceries and meats have been steadily soaring in price for years, some people actually have the impudence to blame the women who have had to pay these high prices. They say this high cost of living has been due to the reckless extravagance of the housewives. NOW you can EFFECTUALLY repel this slander!

Now comes the chance for the women to strike back at these unfair and unmanly accusations. The introduction of the SERV-US Brand Foods gives her the opportunity to rebel and show her determination to ge: a square dea. She can now demand the best grades at the lowest prices. Let her waste on getting the SERV-US Brands from her grocer. Let her refuse to pay the extra charges for nothing but questionable quality. Ler her protect both the pocket-book and **ealth* of her family by demanding SERV-US pure foods at popular prices. Without skimping the least she can save 35% and more of her grocery hill and spend it for dress and house furnishings. SERV-US Brands cover practically everything in pure toods that you eat,

from flour to sait to pickles and coffee. All products are guaranteed under the pure food law and are put up in sanitary packages. SERV-US shalty is top-noun. Insist upon SERV-US Brands from your grocer. If no base't them he can get them for you from Wholesale Distributors
